

# *Hello, I am Kareem!*

Passionate Android developer with a strong background in technology and problem-solving. Skilled in building high-quality, user-friendly mobile applications that deliver innovative solutions.

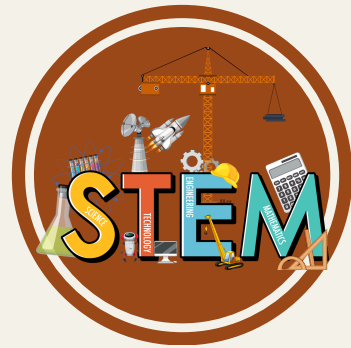

*Hire me*

## *About Kareem Essam*

As a former STEM high school student with a solid foundation in science and technology, I have transitioned into a skilled Android developer. Combining my analytical mindset with my passion for coding, I specialize in creating efficient, user-friendly mobile applications that solve real-world problems. With a commitment to continuous learning and innovation, I bring both technical expertise and creative solutions to every project I undertake.

# Background

Ismailia  
STEM School

---

Ismailia  
2019 - 2022

Faculty of computers and  
informatics SCU

---

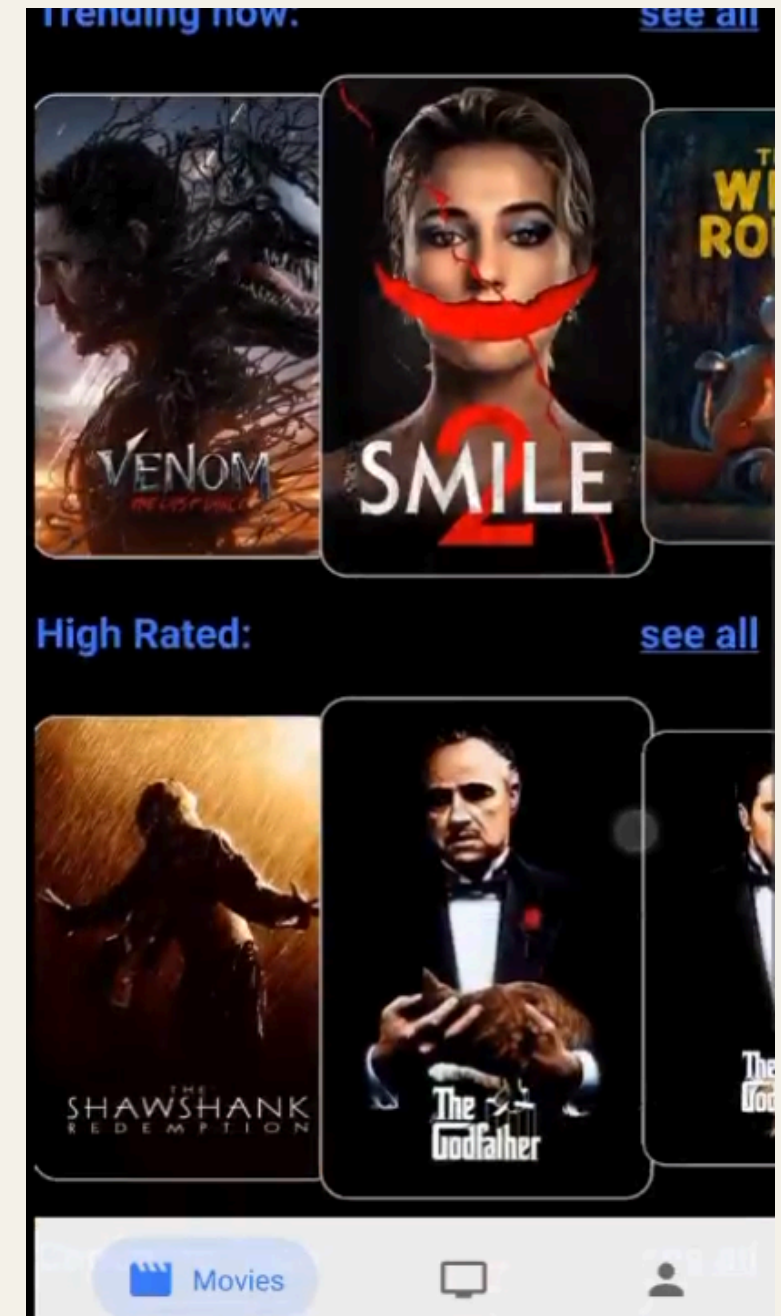

Suez canal-ismailia-  
2022-present

*Memo-Mate notes app*
